

# A ORIGEM DA FELICIDADE (Celso Fonseca)

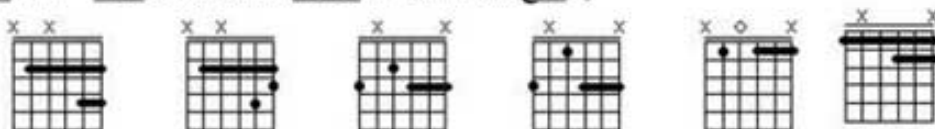

Mesmo que a tristeza desbote o seu dia

por tras las núbems de o mal tempo brilha o sol,

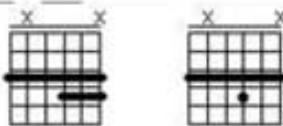

remo - vindo o sofrimento com alegria,

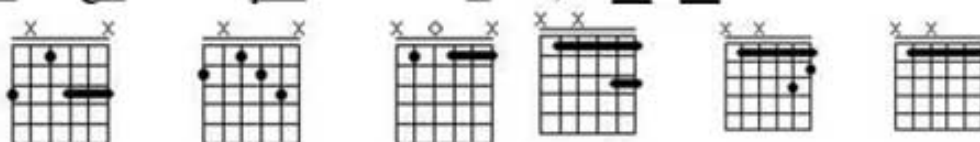

— — minha bússola, meu rumbo, meu farol.

A alegria é o alimento da alma,  
a alegria, nossa grande inspiração.

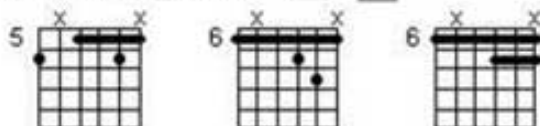

A alegria recompensa os sacrifícios,

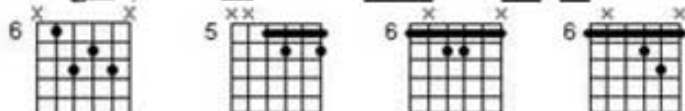

a alegria, soberana decissao.

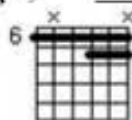

A alegria recompensa os sacrifícios,

a alegria, soberana decissao.

Tempera o teu medo com a esperança,

inclina essa balança ao teu favor.

A alegria, origem da felicidade,  
acredito que o samba é o creador.

A alegria, origem da felicidade,     \_ \_  
 acredito que o samba é o crea -

# Minha Dalva de Oliveira

(Celso Fonseca / Suely Mesquita)

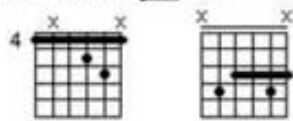

C# et après en D.

Vai, minha dalva de oliveira,

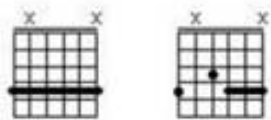

minha flor de laranjeiro,

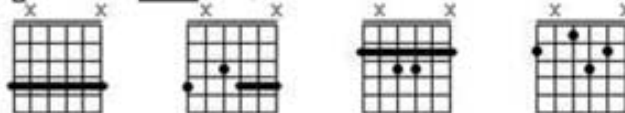

minha fruta madura e tentação.

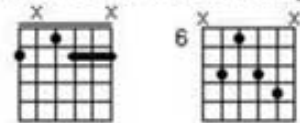

Vai, sai-te a la rua meio nua,  
escandaliza o comércio e deixa o povo de, quererte,  
desejar perder a educação (que ja é pouca).

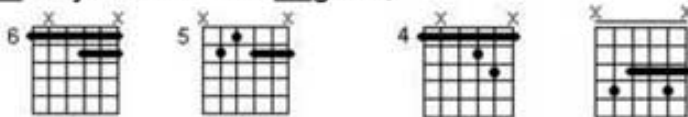

Sai, meu perigo de incêndio,

nao esconde o teu fogo e faz fumaça o Carnaval. \_\_

\_\_ Suja tudo de folhigem,

\_\_ crea fama de louca e achapoca toda confussao.

Depois, volta pra casa comigo,  
e seré sempre o teu abrigo  
a me prestar a esse papel.  
Papel maravilhoso de marido,  
eu sou teu fan, estou contigo,  
i isso ateu meu coração.  
Eu sou teu fan, estou contigo,  
i isso ateu meu coração

Ja nao sei porque finjo nao entender

o codigo preguiçoso de seus olhares sutis  
tento te esquecer fujo pra nao deixar  
legitimos sentimentos ainda sem resposta

Como um vento que ameaça voce —

bate sempre tao forte porque  
chuva de verao e' voce  
tempo que nunca passa,voce

E' melhor assim  
vou deixar ficar  
a duvida insistente nesses desejos banais  
juro que eu tentei,tantas vezes quis  
dizer que ficar contigo me deixa tao feliz

Como um vento que ameaça voce  
bate sempre tao forte porque  
chuva de verao e' voce  
tempo que nunca passa,voce
